

## TILE & FLOOR CARE EASY SEAL

### DESCRIPTION:

Tile & Floor Care Easy Seal is a special and uniquely formulated sealer designed to seal most types of porous tiles. Easy Seal is a penetrating water based sealer that uses the best properties of silicones and acrylics to protect the tile from most stains. With Easy Seal you may wash and seal your tiles on the same day provided the tile has dried sufficiently to allow the sealer to penetrate. Easy Seal is D.I.Y. Friendly. Easy Seal is UV stable and may be used for interior and exterior applications

Available in 1L, 5L & 25L
